

Materials:

- * 2 Pieces black card or paper
- * 1 Yellow tissue paper
- * 2 Pipe cleaners
- * Scissors
- * Glue stick

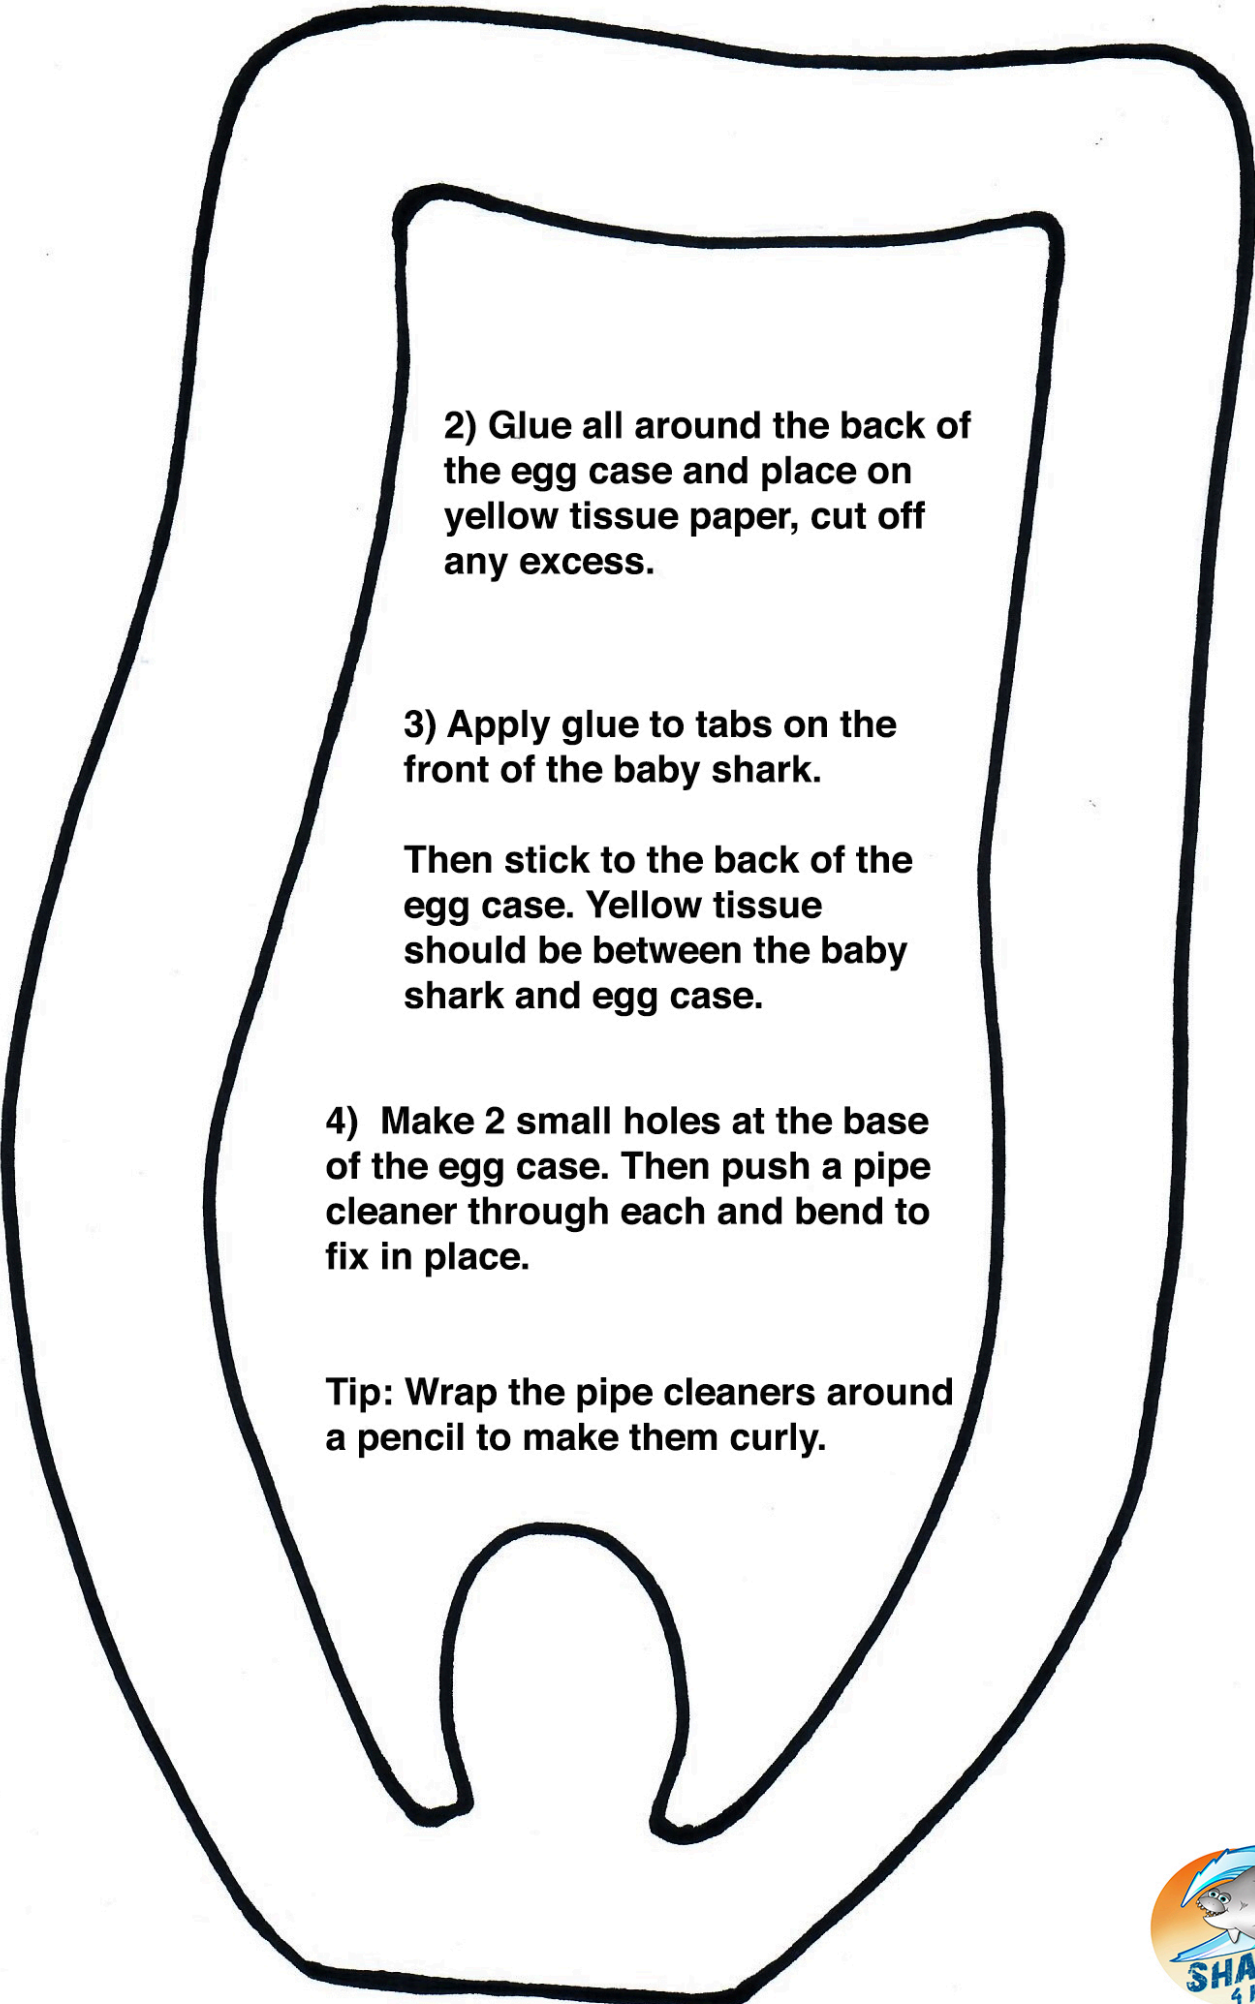

WINDOW SHARK EGG

Instructions

- 1) Use the baby shark and egg templates and cut out in black card.

2) Glue all around the back of the egg case and place on yellow tissue paper, cut off any excess.

3) Apply glue to tabs on the front of the baby shark.

Then stick to the back of the egg case. Yellow tissue should be between the baby shark and egg case.

4) Make 2 small holes at the base of the egg case. Then push a pipe cleaner through each and bend to fix in place.

Tip: Wrap the pipe cleaners around a pencil to make them curly.
