

The Great Hammerhead wondered, "Will you love me forever?"

Jillian replied, "I will help the entire world love you forever."

This Hammerhead design is a Sharktopianized version of the tattoo that forever resides on the back of Jillian Morris Brake (Co-founder of Sharks4Kids). Special thanks to Deano Cook for providing permission to re-create his stunning ink-work for this non-profit coloring page, to help spread awareness and love for sharks even further! <https://deanostudios.com>
